From the Editor:

Well here I am, starting my second year [first full year] as the editor. Please let me know if I am doing what you have asked for? It has been brought to my attention to start a Members Book Pick of the Month. I think this may be a very good idea, but I will need input from our members. If you have read a good book, Photo related, or can recommend a e-book let me know. Also, if you know of some special event, ie., the farm show and you can give me a heads up I will post it. I am trying to get the news letter out before the 15th of each month. If anyone has any suggestions, comments, etc., let me know. Sisko63@comcast.net [in subject line please put NL, or Newsletter].
